• 18 U.S.C. 845 EXEMPTS Federal, State and Local government entities from most provisions of Federal regulations regarding explosives. Federal, State and Local government entities, or their political subdivisions, will NOT be required to obtain a license or permit to acquire display fireworks. Political subdivisions would include educational institutions operated by Federal, State or Local governments (e.g. public schools). Persons possessing display fireworks on behalf of Federal, State and Local government entities or public educational institutions will not be subject to restrictions so long as their possession is in the scope of their employment. Requirements for storage must always be met. Please call us if you have questions.

• Display Fireworks can only be legally stored in an ATF approved explosive magazine. A request for authorization for temporary storage in a commercial building may be made by submitting a written request to ATF.

• No one but the licensee/permittee will be able to pick up the merchandise UNLESS the RELEASE FORM / AUTHORIZATION FOR PICKUP FORM (enclosed) is provided to us by the licensee/permittee prior to pickup. This must be done every year. Person picking up Display Fireworks must be at least 21 years old.

• ATF LICENSEES: A photocopy of your current license (signed in ink) must be on file with us. Anyone using Type 60 Limited Permit must bring both "A" and "B" Stickers.
